Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

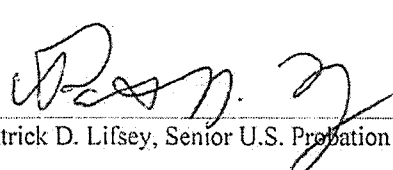

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

Mental Health Treatment:

You must participate in a mental health treatment program and follow the rules and regulations of that program. Such program may require that you submit to an evaluation and / or testing. The probation officer, in consultation with the treatment provider, will supervise your participation in the program (provider, location, modality, duration, intensity, etc.). You must pay all or part of the costs of the program based on your ability to pay unless excused by the probation officer.

You must take all mental health medication prescribed by your treating provider. You must pay for all or part of the costs of medication based on your ability to pay unless excused by the probation officer.
